

Obedience Club of Chattanooga Vaccination Requirements

For the safety of all dogs and to meet our insurance requirements, your dog must be current on all vaccinations at least 10 days prior to attending classes and have a clean bill of health. Proof of vaccination must be provided on or before your first day of classes. You can email shot records at least two days before class begins.

Acceptable Proof

- Clean bill of health from your vet ensuring your pup is worm and parasite free, and healthy; AND
- Invoices from your veterinarian documenting when shots were given; OR
- Stickers on the vials with their lot numbers and expiration dates (if shots were given outside a clinic)

If your puppy's vaccinations are not yet up to the requirements, we encourage you to attend class without your pup until they are ready. You will get valuable information, techniques, and strategies that you can learn and use at home.

Questions? Email shotrecords@occdogtraining.org.

Vaccination Requirements for Puppies

Puppies must receive their 2nd set of puppy shots at least 10 days prior to coming to the first class.

- 6 weeks old: 1st set DA2PP
- 9 weeks old: 2nd set DA2PP
- 12 weeks old: Bordetella & DA2PP booster
- 15 weeks old: Rabies, DA2PP-L Booster (must have rabies before 16 weeks old)

Vaccination Requirements for Adult Dogs

We require proof of the following annually for adult dogs:

- Physical Exam by a licensed veterinarian
- Rabies Vaccine
- Bordetella Vaccine
- DA2PP/Distemper Combo (either 5-in-1 or 7-in-1 combo)
